Pensions for Families of Those
Killed in Constantinople—
Things Smoothed Over.

Constantinople, May 1.—Following a stirring debate, in which the late Vail of Adana and the assistant minister of the interior were attacked as creatures of the Hamidian regime, the chamber of deputies today adopted a resolution that a parliamentary commission be dispatched to Adana to investigate the massacres and to organize a military court to court-martial the guilty persons.

One hundred thousand dollars has been appropriated to relieve the distress in that district. The deputies also have under consideration a proposal to pension the families of those killed or wounded in the recent fighting in Constantinople.

An imperial irade was read in the presence of the cabinet and other officials confirming the appointment of Tewfik Pasha as grand vizier, and Edin Effendi as shah ul-Islam. The irade briefly referred to the revolution and the recent massacres, and enjoined universal observance of the constitution and the Shari laws.

Alli Ghall Bey, the public prosecutor of Saloniki, has been appointed minister of justice to succeed Hassan Fehmi Pasha.

and blackberries are still considered safe. A general feeling of depression prevails among the fruit raisers. It is conceded on all sides that the loss has been immense in the county, as the crop promised to be unusually heavy. Smudge pots were used to a limited extent in some orchards.

**DAMAGES REPORTED
FROM BRIGHAM**

(Special to The Herald.)
Brigham, May 1.—For several years past our fruit crop has suffered considerably from the effects of late frosts, last year's crop, however, being quite heavy. During the winter many of the peach, cherry and apricot crops were killed over on the flat in the fourth ward, and the frosts of last week took what was left. Orchards in the western and southern part of the city suffered considerably from the frosts of last Thursday and Friday nights. The heaviest frost of all came Thursday night. Then a thick coat of ice formed on the frozen buds. From all reports, the damage done is about as follows:

The peach, cherry and apricot crop in the northern part of town, from the mountain down into the fields, has been almost totally wiped out. In the southwestern part of town the fruit has been pretty well thinned out, and a very small crop is expected. On the bench, in the southwestern part of town, the frost has not injured the fruit at all, and a good crop is anticipated. In the city proper there will be a good half crop of fruit.

The damage to strawberries, raspberries, etc., is slight. The Sharpless and other early strawberries that were out in bloom were frozen, but the main crop of berries received no damage from the frost.

No Further Injury.
(Special to The Herald.)
Kaysville, April 29.—There was another heavy frost last night, but little additional damage to fruit has been done. The weather is warmer today, and no further injury is expected.

MURRAY.

Job Reeding, a well known resident of Murray, deceased yesterday to dropsy, from which ailment he had been suffering for some time. Mr. Reeding was a cousin of Mayor Charles Brown, and leaves a wife and a number of children to mourn his death. Funeral services will be held Monday from the family residence. The body is now at the Banks undertaking parlors, being prepared for burial.

Mrs. Thomas Rich of Taylorsville died Friday evening after giving birth to a child at the family home. Mrs. Rich was 38 years old, and had spent practically all her life in Murray and vicinity. The services over the remains will be held Sunday afternoon from the Bennett ward meeting house. Burial will be in the South Cottonwood cemetery.

About 140 students will receive certificates of graduation in the Jordan school district this year. The commencement exercises for that district will be held in the East Jordan ward house June 5, where a program will be rendered and the diplomas issued to the successful graduates.

The infant child of Mr. and Mrs. A. J. McDonald died this week of jaundice. The remains were shipped to Park City, where burial took place.

The Land detention school, in the vicinity of Murray, will discontinue its school work within the next two weeks. At the present time, school during the day is carried on for three hours during the afternoon, and the remainder of the day is spent outside on the farm and in the shops. Yesterday a tennis court was constructed at the school; also a baseball diamond. From indications, the recent snowfall will not materially damage the fruit crop of the farm this year.

PAYSON SOCIETY.

A number of young ladies of the H. A. B. club spent last Sunday afternoon at the government power plant at the mouth of Spanish Fork canyon. The young men of the Payson society, who were invited to accompany them, gallantly showed them the intricacies of the power generating machinery.

Mrs. William Ferre has been visiting this week with friends in Provo. T. H. Wilson was a Provo visitor Friday.

The public schools close for their summer vacation, Friday, May 7. The eighth grade and high school, however, will continue until May 21. The commencement exercises of the eighth grades of Utah county will be held at the Provo high school on May 23. About five hundred graduates will participate.

Mrs. Byron Thurman of Eureka has been here for a few days, the guest of Mrs. T. T. Amos.

Charles Smith and family have returned home from a week's visit with relatives and friends in the capital.

Newell White was a Provo visitor Friday.

The resignation of Francis M. Ballard, night watchman, was handed to the city council at its last meeting. Mr. Ballard has acted in this capacity for some time and has given the city the best of service.

Miss Henrietta Douglas of Salt Lake spent several days this week with her parents, Mr. and Mrs. Samuel D. Thorne of Pleasant Grove, who were visiting in Payson yesterday.

A track meet will be held Friday, May 7, at the high school campus between the Lehi High school and the athletes of Payson City.

Mrs. Kate Guthrie entertained about twenty friends at the Knutsford hotel last Thursday. The afternoon was pleasantly spent with cards. At 6 o'clock an excellent supper was served by the hostess.

The half-holiday has been changed from Thursday to Friday, all business places closing at 1 p. m. and remaining closed until Saturday morning.

Utah Woodmen to Entertain Distinguished Guest This Week

A. R. Talbot, head consul, Modern Woodmen of America.

A. R. Talbot, who is head consul of over 1,000,000 Modern Woodmen of America, will be entertained by the local lodges of this city on Tuesday, May 4.

This is the first visit to Utah of any head official of the order in all of the twenty-six years of the society's existence, and it will be made a memorable one on that account.

A. R. Talbot is a former law partner of William Jennings Bryan, and he is reported to be his equal as an orator. On the reception committee selected to meet the head consul at the depot will be Frank B. Stephens, the well known local lawyer, Talbot, Stephens, Bryan were all school boys together, and the meeting between the two classmates on Tuesday will be a warm one.

A. R. Talbot will be shown the city and other points of interest, and in the evening he will take part in a parade which will be given in his honor, after which he will make an address in Armory hall at a public meeting, assisted by Judge Armstrong, F. B. Stephens, Professor McGowan, Professor Kent and other well known speakers. The meeting will be public and will be followed by a state class initiation, at which Talbot will officiate in the initiation of over 100 candidates. Members of the order only will be allowed to remain for the initiation.

The head consul will start for the coast on Wednesday morning.

ABANDONS AFTERNOON FIELD.

HUNDREDS FALL VICTIM TO STORM

Fatalities and Injuries Run Into
Appalling Numbers—An-
other One Predicted.

Chicago, May 1.—The storm which began Thursday and the deathlist which approximates 200 persons in the states of Illinois, Tennessee, Alabama, Arkansas, Georgia, Mississippi, Missouri and Pennsylvania, took the form of a mild blizzard in the upper lake region today, including Chicago, where a moderate wind was accompanied by a snow. At Superior, Wis., there was snow enough for sleighing. Winnipeg reported many cattle killed, and from the southwest came stories of blasted orchards.

Nashville, Tenn., May 1.—So far as can be ascertained, the casualties in this state from the storm include sixty-seven killed and seventy-eight injured.

Atlanta, Ga., May 1.—The storm which for three days has been sweeping eastward across the southern states tonight was passing into the Atlantic ocean. At least 200 persons were killed and perhaps 400 injured. News of thirty-four more deaths in Georgia were received today. At Savannah the storm tore through the old town, unroofed many houses and destroyed much property. Towns in North Carolina and Florida suffered devastation. A casualty list will be incomplete for several days. Property worth probably several millions of dollars was destroyed.

Washington, May 1.—A fair Monday everywhere east of the Rocky mountains, but yet another storm brewing out in the west and headed this way, are the promises held out by the weather bureau tonight. In Arizona a storm center is moving rapidly eastward, and official figures tonight scheduled it for the Atlantic coast Wednesday or Thursday. May day snow flurries struck the country in spots, particularly about the great lakes and Ohio and in the south.

If It Disappears, It's Eczema

How to Tell Whether a Skin Affection is an Inherited Blood Disease or Not.

Sometimes it is hard to determine whether a skin affection is a sign of a blood disorder or simply a form of eczema. Even physicians are often puzzled in their diagnosis. The best way for any one afflicted is to go to the F. J. Hill Drug Co., or any good druggist who handles pure drugs and obtain 50 cents' worth of posium. Apply this, and if the itching stops at once and the trouble is cured in a few days it may be set down as having been eczema, as this is the way posium acts in the worst cases of eczema, and in curing acne, herpes, blotches, tetter, piles, salt rheum, rasi, barbers' and all surface skin affections.

Any one who will write to the Emergency Laboratories, No. 22 West Twenty-fifth street, New York, can secure, by mail free of charge, a supply sufficient to cure a small eczema surface or clear a complexion overnight and remove pimples in twenty-four hours.

FEDERAL COURT NOTES.

Seven new citizens were admitted by United States Judge Marshall Saturday morning. These receiving their final papers were: Paul E. Henckel, of Genoa; B. E. Henckel, of Genoa; J. P. Kenelm; Denmark; Charles O. Anderson, Sweden; J. E. F. Steinfeldt, Germany; M. Soteropoulos, Italy; and Felix Tarnavsky, Greece.

Monday morning Judge John A. Marshall will reset all the remaining untried cases of the April term of the federal court.

An order was issued by Judge Marshall Saturday releasing the Bingham Consolidated Mining and Smelting company from all further liabilities in the case of James Godfrey and others against the American Smelting and Refining company. Utah Consolidated Mining company, United States Mining company and the Bingham Consolidated Mining and Smelting company. It was shown that the latter company had paid all the alleged damages to the plaintiffs and they were ordered released from all further damages.

How to Reduce Fat Proportionately

Proportion is the thing. A fat woman wants to reduce her abdomen, but she doesn't want to produce a scrawny neck. This fact condemns the dieting method of reducing. You can't starve the fat off one place and not off another. Simply impossible. But why try dieting, or even exercising, when there is a better way of reducing fat than either?

Try the following: One-half ounce Marmola, is ounce Fluid Extract Casaca Armatica, ounce Essence Peppermint Water. Any druggist will fill the above cheaply. Take a teaspoonful after meals and at bed time and so many times that you are not losing about a pound of fat a day—not from places where you are normally plump, but from those that are over fat. The receipt works like charm. I am told, and though it produces delightful and important differences it produces no apparent results, yet it is perfectly harmless. Don't even eat junkies, they say who have used it, no interference with one's diet, which are two other exclusive and important differences it produces over all other fat reducers I ever heard of. Instead of being harmful, as dieting is, it improves the blood and appetite and complexion.
